

# Bullock's Youth Permaculture Camp

July 19 – August 8, 2009  
Orcas Island, WA (ages 6-13)

Instructors: **Jamie Mulligan-Smith, Whitney  
Hartzell & Scott Brinton**

**Join us as we explore nature awareness, permaculture, and community within a dynamic and wonder-based three-week camp!**

"What permaculturists are doing is the most important activity that any group is doing on the planet." -David Suzuki, Environmental Advocate

## **Week 1 includes:**

- Coastal cleanup through mushroom inoculation
- Group dynamics
- Community artwork and more!

## **Week 2 includes:**

- Ethics & principles of Permaculture
- Gardening & compost
- Herbal medicine making and more!

## **Week 3 includes:**

- Nature awareness
- Shelter building
- Primitive skills and more!

**Fun and inspirational, this course promises to encourage creativity, leadership, adventure and respect for nature by sharing sustainable living skills and providing a chance to work and play in unscripted reality.**

**Cost: \$1200 1<sup>st</sup> child; \$1100 2<sup>nd</sup> child  
Includes healthy, prepared meals  
(\$100 off if paid-in-full by June 1<sup>st</sup>)  
Note: parents must be enrolled in  
concurrent Design Course (see website).**

Learning to be responsible stewards of our earth is a skill that is becoming ever more imperative in today's changing world. With the aid of games, song, and play, your child will come to understand the importance of environmental awareness - and will feel compelled to embrace loving the earth as an extension of loving the self.
